### Tarea 7 - Proyecto Final: Presentación de nuestro equipo de Teams.

He estructurado mi equipo por Unidades Didácticas (*Canales Públicos*) para facilitar el acceso de los alumnos a los contenidos y evitar que se pierdan en un tumulto de archivos. Mi equipo de prueba está dirigido a estudiantes de 6° de Primaria en la asignatura de inglés.

The screenshot shows a Microsoft Teams interface. The browser address bar displays the URL: [https://teams.microsoft.com/\\_#/school/conversations/General?threadId=19:c8067...](https://teams.microsoft.com/_#/school/conversations/General?threadId=19:c8067...). The Teams header includes a search bar and the name 'Microsoft Teams'. The left sidebar shows navigation options: Actividad, Chat, Equipos, Tareas, Calendario, Archivos, and Aplicaciones. The main area displays the 'Snoopy Prueba Teams \_ clase' team. Under the 'General' channel, a list of channels is shown, with 'D.U. 1. The new kid in the neighbourhood' and 'D.U. 2. The most terrifying outfit of Snoopy' highlighted by an orange box. The main chat area shows a message from 'MARIA TERESA GJON VALLADOLID' dated 21/11/20 19:35, edited. The message reads: 'Buenas tardes chicos. Este canal nos va a permitir mantener al día nuestras clases y resolver todas las dudas que vayan surgiendo. Como podéis ver he abierto diferentes canales dedicados a cada unidad didáctica para que sea más fácil organizar los contenidos y las tareas. Permanecer atentos y activar las notificaciones.' Below the message is a 'Ver más' link and a 'Responder' button. A date separator indicates '22 de noviembre de 2020'. A second message from the same user, dated 22/11/20 12:35, edited, says: 'Hello everybody, this is the link to the document which you should write ideas about the topic. Come on, don't be lazy and participate in this brainstorming.' A 'Nueva conversación' button is visible at the bottom of the chat area. The Windows taskbar at the bottom shows the Start button, taskbar icons for Inicio, File Explorer, Media Center, Edge, Chrome, Firefox, and Word, and the system tray with the date '05/01/2021' and time '14:44'.

En cada Unidad Didáctica (Canal) se ha ido introduciendo los distintos contenidos (vídeos de youtube, archivos, texto...) relacionados con el tema. Por ejemplo, en la U.D. 1 que trata sobre Physical Description se ha incluido *canciones*...

The screenshot shows a Microsoft Teams interface. At the top, the browser address bar displays the URL: [https://teams.microsoft.com/\\_/#/school/conversations/D.U. 1. También para practicar la lectura comprensiva en inglés se les ha introducido un *Sway*. Se les podría pedir que visitarán un blog o una página web en específico pero, de esta forma, se puede controlar la información que queremos trabajar y la cantidad.

The presentation is displayed in a web browser window with the URL <https://sway.office.com/XErSOI3ACYv4sJLR?ref=Link>. The title "Halloween or Samhain" is written in a large, white, sans-serif font across the top. Below the title, the text "Halloween Origins" is displayed in a large, white, sans-serif font. Underneath, there is a paragraph of text: "Halloween is a holiday celebrated each year on October 31. ## Halloween Origins

Halloween is a holiday celebrated each year on October 31. The tradition originated with the ancient Celtic festival of Samhain, when people would light bonfires and wear costumes to ward off ghosts.

Celtic spiritual tradition. Celebrants believe that the barriers between the physical world and the spirit world break down during Samhain, allowing more interaction between humans and denizens of the Otherworld.

Y así serían con todas las unidades didácticas.

Los **Canales Privados** podrían considerarse como medio para trabajar los trabajos grupales, que luego serían expuestos a toda la clase. De esta forma, nos aseguramos que solo los integrantes de ese grupo tengan acceso para editar e incluir contenido en su trabajo. En mi caso he pedido una actividad relacionada con las 2 unidades didácticas anteriores donde los grupos tienen que escribir las descripciones físicas de unos personajes, su personalidad y la descripción de la ropa que llevan. El día de la exposición, los otros grupos deberán averiguar de qué película (libro, comic, juego...) se trata y quiénes son los personajes.

Look at the different movie covers. Choose one of them and describe five characters. Post your descriptions in this channel and prepare your exposition. En el *Canal General*, se ha incluido el *Bloc de notas de clase*. Es una forma de recopilar todos los contenidos de una forma fácil y más organizada. La creación de canales como unidades didácticas permite organizar los contenidos, pero solo son canales de difusión mientras que el bloc de notas, además de tener una parte solo de lectura, permite a los alumnos una mayor participación.

Las notas nos ayudarán a controlar las aportaciones de los alumnos para que ninguno "pise" la idea de otro (la tape con su recuadro).

Dentro del apartado "**Exclusivo para profesores**", podremos recopilar y guardar todas las anotaciones que nos sean interesantes recordar o, incluso, programar actividades futuras. Ventaja: que puedes ver de qué iba la actividad, cosa que no ocurre en "**Tareas**". Desventaja: Tienes que ir corrigiendo de uno en uno; es como pedirles los cuadernos físicos y corregirlos con la ventaja de no tener que llevarte todo el peso a casa.

Por último, mencionar que también en el *Canal General* se ha incluido un *Sharepoint*, que se trata de un periódico de clase, donde se va a recoger las distintas actividades que se vayan realizando a lo largo del curso. En mi caso lo he dejado abierto para los alumnos porque pretendo que ellos participen en alguna de las secciones.

¡¡EXTRA!! ¡¡EXTRA!!

Este año por navidad vamos a celebrar un concurso de puertas decoradas. Las bases del concurso son que todos - TODOS, profesores y alumnos, deben participar, en la medida de lo posible, en la decoración de la puerta. ¡Incluso el equipo directivo y el personal del comedor! Se valorará la originalidad, creatividad y participación de los alumnos. La fecha límite será el día 16 de este mes.

¡Ánimo, poned vuestras mentes a trabajar para crear vuestra obra maestra navideña!

Éstas son algunas de las puertas que ya se van viendo... ¡Venga, ya faltan pocos días!

Este equipo de clase de Teams se ha creado con el objetivo de aprender a manejar la plataforma y conocer las distintas aplicaciones que nos ofrece Educacyl. Las imágenes se han sacado del buscador de Google, los vídeos de Youtube, las actividades para los quiz y las tareas de la página web ISL Collective. He utilizado la imagen de Snoopy de Charles Schulz como personaje principal para presentar los contenidos de inglés. El texto para el Sway de la página web del Canal de Historia (<https://www.history.com/topics/halloween/history-of-halloween>).
