The priest

A few missionary priests were asking for charity for the poor in the houses of a neighbour of high class. When they come to one of these houses, they touch the door and a lady opens, the priests say:
- God blesses her, good lady. We are brothers of Christ.
- Since what good they preserve!

POEMS

There are a lot of poems about the religion that you can read and think,

Dios es de todos

Dios es de todos
es para todos,
para el ateo,
para el pagano,
para el sagrado,
para el profano,
para el hereje,
para el cristiano.

Dios es de todos
sin excepción,
pues su pasión
es la vereda
que del amor
perfecto
e incondicional
borbota
eternamente
y al infinito.

Dios es de todos
y para todos,
y como hermanos
quiere sentirnos,
El quiere vernos
fraternizar
y no matarnos
por su Verdad...

Solo Dios
conoce toda la verdad
acerca de Dios.

God is of all

God is of all
is for all,
for the atheist,
for the pagan,
for the sacred one,
for the layman,
for the heretic,
for the christian.

God is of all
without exception,
since his passion
is the path
that of the
perfect
and unconditional love
bubbles
eternally
and to the infinite.

God is of all
and for all,
and as brothers
He wants to feel us,
He us wants to see
to fraternize
and not to kill
for his Truth ...

Alone God
knows all the truth
brings over of God.

WHY DO WE CALL JESUS CHRIST "GOD"?

It's a truth. God the Father, God the Son and God the Holy Spirit are the same person, so he called the Trinity because they are three in one, just that Jesus Christ is the Son of God (which would come to God Himself), who incarnated just in a man, and He is the son because he came to the earth and He was born as a child and Jesus had a life as a man and then He died for us, sinners.

Put it this way:

1. God the Father is the creator of the world.
2. God the Son is which came to the earth and He was crucified.
3. God the Holy Spirit is who lives in our hearts.

In summary the three are one, just in different circumstances.
Remember: God is omnipotent and omnipresent; it means that he can do everything and he can be in all places at once.

Last sentences that Jesus said

Father, forgive them because they don't know what are they doing.

I say to you that today you will be with me in the paradise.

Woman behold your son, son behold your mother.

My God, my God, why did you forsake me? I'm thirsty.

It's finished.

Father, into your hands I commend my spirit.

JESUS IN THE ISLAM

Jesus in the Islam is the most important prophet behind Muhammad.

In the Islam, Jesus is an important prophet but Muhammad is the most important prophet in the Islam. Like all the prophets in the Islam, Jesus is considered to have been a Muslim, as he preached for people to adopt the straight path in submission to God's will. Islam denies that Jesus was God or the son of God, stating that he was an ordinary man who, like other prophets, had been divinely chosen to spread God's message.

Jesus is in the Koran but the Muslims not see like us.

Islamic text forbids the association of pertness with God emphasizing the notion of God's divine oneness. As such, Jesus is referred to in the Koran frequently as the son of Mary. According to the Koran, believed by Muslims to be God's final revelation, Jesus was born to Mary as the result of virginal conception.

he was going to kill him. God intervened and said to him that already it him demonstrated that it could trust in him.

MOISES:

He liberated the Jewish people of Egypt and God gave to him the tables of ten orders in the mount Sinai.

THE KING DAVID:

David conquered the giant Goliath with a wave and a stone. It brought the ark of the alliance with the intention of constructing a temple.

Jose, Jesus's father, was a carpenter in a small village: Nazareth.

Maria, the mother of Jesus, it had an appearance of the archangel Gabriel to say to him that it was going to have the Messiah. She and Jose had to be going to Belen to register in the census. And Maria gave birth in a manger. Maria had a cousin, her name was Isabel. She was the mother of Juan Bautista. He baptized Jesus in the Jordan river.

Religion in English

Araceli y Paloma

In the second year of Secondary Education we have a lot of subjects. One of this is Religion. It is a very important subject since we learn how to think about Jesus' life and about our life too.

We learn Religion in English and in Spanish. Thus we learn English and Religion at the same time. What a good idea !!!

We learn about the life of the martyrs and saints in English. We also learn to pray "Our Father", "Glory" and "Holy Mary" as well as a lot of vocabulary. We also prepare essays in English although the Religion text book is in Spanish.
