The screenshot shows the Erasmus+ Participant Portal interface. At the top, the European Commission logo is on the left, and the text "Education Audiovisual, Culture, Citizenship and Volunteering" is on the right. Below this is a blue navigation bar with "Participant Portal" in the center. A red box highlights "Participant Portal". After registration, a unique identifier is assigned to your organisation. This is the 9-digit **PIC (Participant Identification Code) number** that will be used as a reference by the Commission in any future interactions. A **single registration** is required for each organisation in the system." Below this is a section titled "Organisation Registration" with the text: "Please keep the legal data of the organisation and programme related information at hand. You can check the information you will need for the registration in the documentation of the call for proposals. Please note that you have to register your organisation before submitting a project application. You can pause the registration process at any time and continue it later. The system automatically saves your draft registration and will keep it until you complete it or for up to one year after its last edit." At the bottom of this section are two buttons: "REGISTER ORGANISATION" (highlighted with a red box) and "RESUME REGISTRATION". Below this is a section titled "How to update your organisation data?" with three columns: "Modify registered data", "Upload supporting documents", and "Modify validated data". Each column has a brief description of the process.

### Registration overview

The Registration Wizard will guide you through the process of registration. At the end, it will assign and display the Participant Identification Code (PIC) of your organisation. Please keep the basic legal information (Registration extract, VAT data) of the organisation at hand so you can fill in the forms quickly and correctly. The registration process normally takes about 5-10 minutes to complete.

The current Welcome page will prompt you for some preliminary information about your organisation required to check if this organisation has already been registered, as well as to identify any existing PIC numbers of similar organisations that could potentially match your request.

Please enter the data of the organisation that you are registering. If you register on behalf of another entity, please fill in the data accordingly.

Note: To access a previous registration of yours, close this window and select the relevant PIC number from "My Organisations" > "Organisation" tab in the Participant Portal.

## IMPORTANTE

- ✓ Las instituciones de Educación Superior (Ciclos de grado superior) tienen que comunicar el PIC a la EACEA para poder finalizar el proceso de obtención de la Carta Erasmus

<http://ec.europa.eu.en/yourvoice/ipm7forms7dispatch?form=ErasmusCharter>

### Obtención del PIC:

Una vez finalizado el proceso se recibirá un mensaje a la dirección de correo electrónico facilitada **confirmando** la creación del PIC:

Dear Mr. XXX,

The Education and Culture Directorate-General and the Education, Audiovisual and Culture Executive Agency of the European Commission thank you for having registered a legal entity in our database of participant organisations.

The record has been successfully created. The TEMPORARY Participant Identification Code (PIC) for the legal entity you have registered is 949646782.

You can now use your PIC in order to submit a proposal for the EAC/EACEA programmes If your organisation is selected for the projects managed by EACEA then your organisation will need to pass a Legal Entity validation and your organisation will have to provide supporting documents.

Please find downloadable forms and instructions on

[http://ec.europa.eu/budget/contracts\\_grants/info\\_contracts/legal\\_entities/legal\\_entities\\_en.cfm#fr](http://ec.europa.eu/budget/contracts_grants/info_contracts/legal_entities/legal_entities_en.cfm#fr)

In case your organisation is applying for the projects managed by the national agencies (hyperlink to the list of NAs and list of projects (actions) managed by NA), your organisation should then provide the supporting documents as requested in the Guide for applicants and by your National Agency (this can be done by uploading the supporting documents in URF).

Please note that the validation could result in a possible change of the PIC (if e.g. the validation reveals that the same legal entity already exists under another PIC).
