

# BREAKOUT EDU

# Breakout Edu VS Escape Room

## Semejanzas

- Experiencia inmersiva y lúdica
- Tiempo límite 50 min / 1 hora
- Superar retos o acertijos
- Pistas

## Diferencia

- Objetivo diferente: salir de una sala / abrir una caja

# Objetivos

¿Qué pretendemos?

Creatividad: usar la imaginación.

Comunicación: compartir ideas.

Colaboración

There is a risk the world is being taken over by badly designed and unengaging presentations, a policy one of renegade but brilliant scientists have gathered to create an antidote: a software called pwntron. This antidote is so awesome and effective that bad presentations may be entirely wiped out from the face of this planet.

gathered to create an antidote: a software called pwntron. This antidote is so awesome and effective that bad presentations may be entirely wiped out from the face of this planet.

# Temporalización

## ¿Cuándo usar un breakout edu?

- Actividad motivadora al iniciar una Unidad Didáctica
- Conclusión de una Unidad Didáctica
- Al inicio del curso para potenciar pertenencia al grupo
- Conclusión del curso escolar
- En celebraciones de actividades complementarias

There is a crisis. The world is being taken over by badly designed and unengaging presentations. A motley crew of renegade but brilliant scientists have gathered to create an antidote: a software called breakout. This antidote is so awesome and effective that bad presentations may be entirely wiped out from the face of the planet.

gathered to create an antidote: a software called breakout. This antidote is so awesome and effective that bad presentations may be entirely wiped out from the face of the planet.
