

HOW TO IMPROVE /FOSTER COMMUNICATION IN THE ENGLISH /CLIL CLASSROOM

Teacher/ assistant is the most important input for learners in the classes. they provide opportunities for learners to develop their comprehension and production.

SUGGESTION 1: Plan the lesson (different steps)

SUGGESTION 2: classroom management Control

- eye contact
- Turn taking
- grouping
- participation...

SUGGESTION 3; Provide comprehensible input (take into account students age, level, skills and abilities, background, proficiency...)

- convey your ideas clearly, use short sentences
- speak at an agreeable speed, having strong pronunciation skills,
- show comprehension and ask for clarification,
- check the listener's understanding.
- convey information through nonverbal communication Skills: posture, gestures, facial expressions, and other nonverbal cues
- choose the right levels of complexity of vocabulary and structures, speed of delivery, degree of clarity, and range of register and style.

SUGGESTION 4: provide models, language expressions

- Monitor and coach language and production

SUGGESTION 5: Meaningful and attractive activities

- Focus on interaction: improve students' fluency, pronunciation, and communicative strategies.
- Prepare a list of discussion topics ahead of time.

SUGGESTION &: Use different sources, materials, aids, type of activities.
